STARRING

LED ZEPPELIN

ANO I – JULHO DE 2021 – Nº03

EDITORIAL

Falar de uma banda de peso como o Led é sempre uma grande responsabilidade , pois é isso que sinto quando vou me referir a esta super banda de todos os tempos que contagiou toda uma geração que cresceu ao som deles, são insubstituíveis , seu som sempre será uma grande referência no Rock e eternos e quantas bandas não tiveram suas influências marcantes nos riffs de guitarra e toda a magia e mistério. Acredito que jamais terá outra banda para ocupar a posição deles com tremenda sonzeira , de pura energia espalhada pelo ar.

Cada som da banda é uma surpresa aos nossos ouvidos atentos , sem falar da presença de palco, e uma lenda viva do nosso rock , ouvir Led é como voltarmos as raízes dentro do nosso tempo , e Led é Led , para todas as gerações e quando ouço é uma grande festa que contagia todas as galáxias Vamos ouvir um Led agora ?
Um grande abraço a todos Rockeiros(as)

Do Editor que também cresceu ao som do Led

O SOM DO LED CHEGOU PARA FICAR !

Por José Nogueira

O ano era 1975, quando caia em minhas mãos o Led Zeppelin II , Whole Lotta Love, era o que faltava na minha vitrola do qual rolava noite e dia , o som da guitarra de Jimmy Page ia me contagiando por completo era o som do Led que chegou para ficar, a moçada não acreditava e delirava entre um acorde e outro, sem falar em Heartbreak, que estremecia as paredes do quarto, e sempre chegando mais amigos para a festa ficar completa, depois mais tarde pintou o “Phisical Graffiti” outra paulada e pra começar soltava um “Kashimir” e entre um agito e outro ainda sobrava tempo para trocar uma idéia com a moçada (. . .)

LED ZEPPELIN LETRAS

Rock and Roll

It's been a long time since I rock and rolled
It's been a long time since I did the stroll
Let me get it back, baby where I come from

It's been a long time, been a long time
Been a long lonely, lonely, lonely, lonely, lonely time
Yes, it has
It's been a long time since the book of love
I can't count the tears of a life with no love
Carry me back . carry me back
Carry me back, baby, where I come from whoa-oh-oh

it's been a long time, been a long time
Been a long lonely, lonely, lonely, lonely, lonely time

Oh seems so long since we walked in the moonlight
Making vows that just can't work right, oh yeah
Open your arms, open your arms
Open your arms...

Whole Lotta Love

You need cooling
Baby I'm not fooling
I'm gonna send ya
Back to schooling

A-way down inside

A –honey you need it
I'm gonna give you my love
I'm gonna give you my love
want to whole lotta love
want to whole lotta love
want to whole lotta love
want to whole lotta love
You've been learning
Um baby I been learning
All them good times baby, baby
I've been year-yearning
A-way , way down inside
A –honey you need –ah
I'm gonna give you my love ,ah oh
I'm gonna give you my love ,ah oh
whole lotta love
want to whole lotta love
want to whole lotta love
want to whole lotta love

Immigrant Song

Ah-ah-ah !

Ah-ah-ah!

We come from the land of the ice and snow
From the midnight sun where the hot springs flow
The hammer of the gods
Will drive our ships to the new lands
To fight the horde sing and cry
Valhalla, I am coming
On we sweep with threshing oar
Our only goal will be the western shore

Ah-ah-ah !

Ah-ah-ah!

We come from the land of the ice and snow
From the midnight sun where the hot springs flow
How soft your fields so green
Can whisper tales of gore
Of how we calmed the tides of war
we are your overlords

On we sweep with threshing oar
Our only goal will be the western

Thank You

If the sun refused to shine
I would still be loving you
When mountains crumble to the sea
There will still be you and me

Kind a woman , I give you my all
Kind a woman, nothing more
Little drops of rain whisper of the pain
Tears of loves lost in the days gone by

My love is strong , there is no wrong
Together we shall go until we die ,my,my, my
Inspiration ´s what you are to me
Inspiration , look ´n´ see

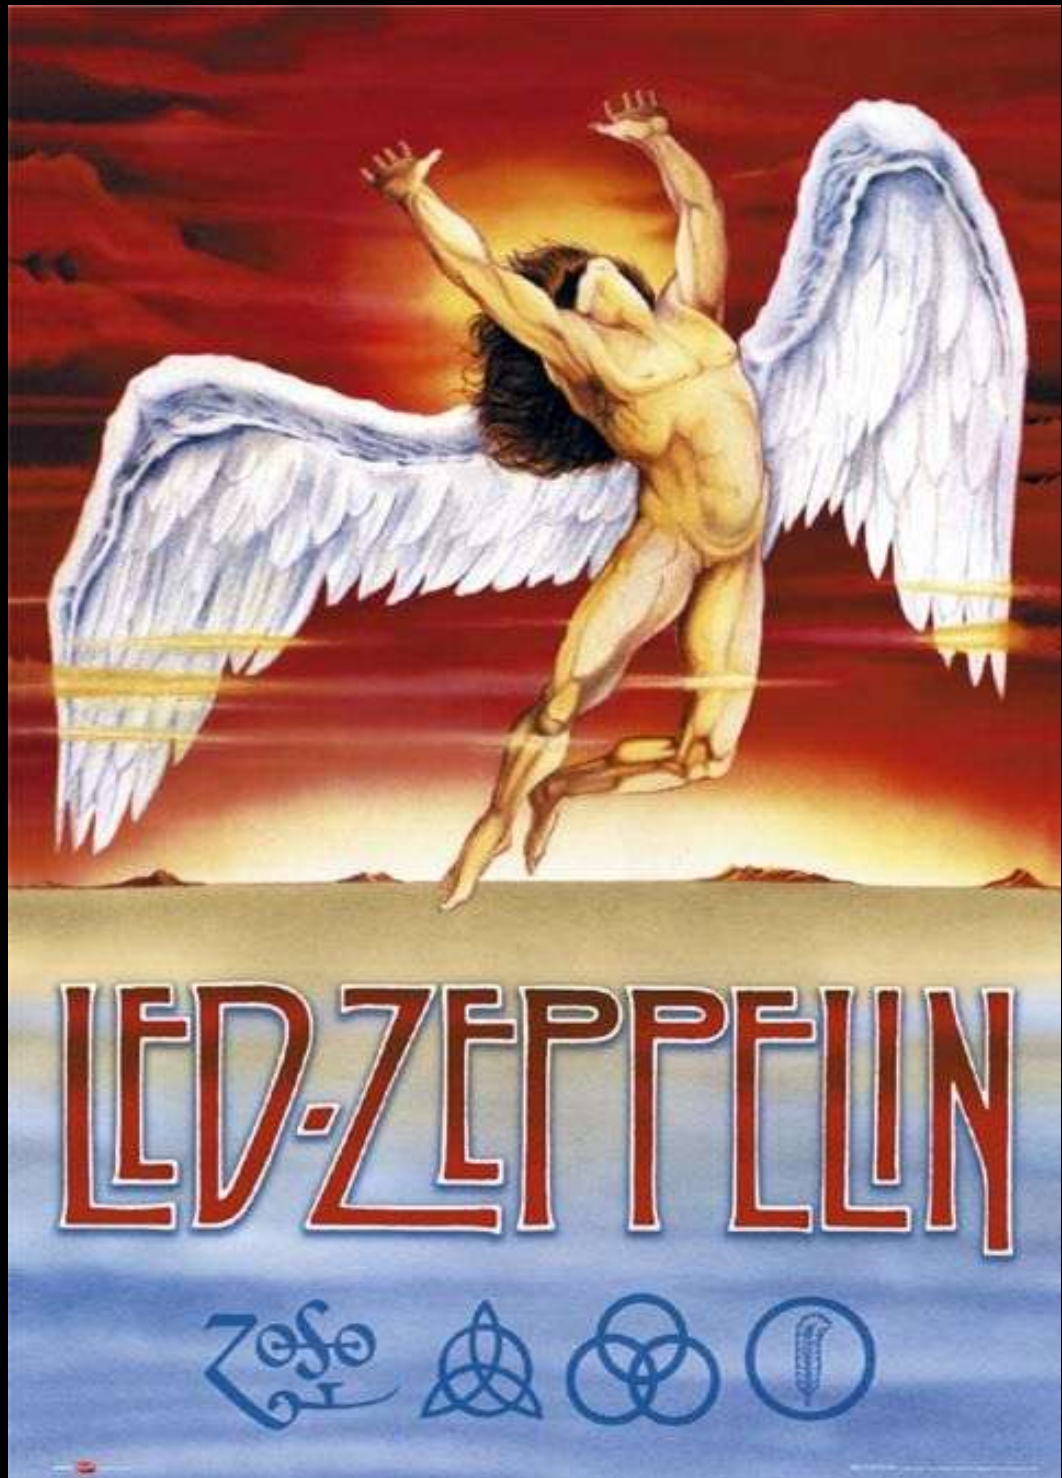

And so, today my world it smiles
Your hand in mine, we walk the miles
Thanks to you, it will

Kashmir

Oh, let the sun beat down upon my face
And stars fill my dream
I'm a traveler of both time and space
To be where I have been
To sit with elders of the gentle race
This world has seldom seen
They talk of days for which they sit and wait
All will be revealed

Talk in song from tongues of litting grace
Sounds caress my ear
And not a word I heard could I relate
The story was quite clear

Oh, baby, I been blind
Oh, yeah, mama, there ain't no denyin'
Oh, ooh yes, I been blind
Mama, mama ain't no denyin' no denyin'
All i see turns to brown
As the sun burns the ground
And my eyes fill with sand
As I scan this wasted land
Try to find, try to find the way I feel
Oh, pilot of the storm who leaves no trace
Like sorts inside a dream
Leave the path that led me to that place...

Il loro ultimo album delude i critici ma non il pubblico
 Secondo il nostro collaboratore Vince Alfieri è lo maggior successo del rock. I band rock degli Zeppelin, Deep Purple, Grand Funk e di altri famosi complessi sarebbe in crisi, mentre le classiche diesso proprio il contrario. Chi ha ragione? A voi la parola.
