# EDITORIAL

Sempre fui fiel as minhas raízes e ao som do Sabbath , quando ouvi pela primeira vez , me identifiquei de imediato com o som daquele quarteto , letras inteligentes, riffs de guitarra bem trabalhadas , e era tudo o que eu esperava de uma banda de hard-rock aliás comecei cedo aos 11 anos de idade ouvindo tudo e um pouco mais depois descobriria a grande publicação dos anos 70, a revista “Rock, A História e a Glória”, ai chapei de vez em saber tudo sobre essa banda considerada uma lenda viva do cenário rock que ficará eternamente na memória de todos que ouviram os trabalhos da banda.

## Os primeiros sons do Sabbath

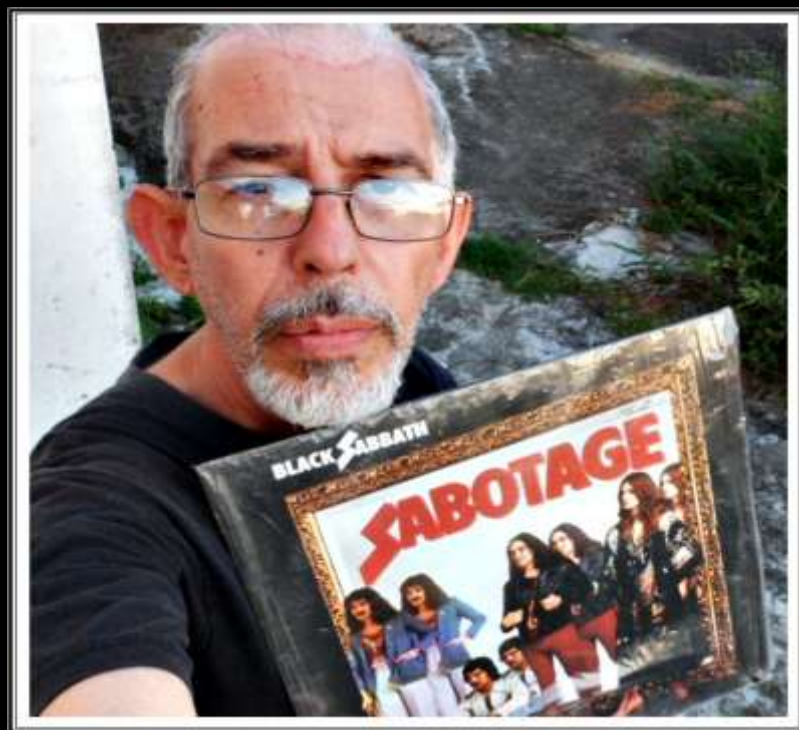

Por José Nogueira

Lembro dos primeiros sons do Sabbath que vieram parar em minha mão , foi uma gravação numa fita de marca Maxwell C-90, de um lado o Lp “Master Of Reality” e do outro o “VOL.4” ,dois grandes clássicos que não devem faltar na coleção , logo em seguida comprava o vinil “Paranoid” e na sequência o “Sabotage” em 1975, mas nessa época havia um programa pela extinta TV Tupi chamado “Hallelujha “ com os apresentadores e músicos Silvio Brito e Fabio Jr. e pasmem o som de abertura do programa era do Sabbath do primeiro play com a faixa “The Wizard”

### Revista Pop – anos 70

## **PRESENTE DE ANIVERSÁRIO DA AVÓ 1975**

O ano era (1975) e era o mês do meu aniversário e minha avó disse o que eu queria ganhar e na época estava saindo esse novo Lp do Black Sabbath, e não hesitei em pedir lembro me até hoje quanto ela pagou (Cento e quinze cruzeiros), mas somente aquela faixa “Sympton to the universe” já estava valendo cada centavo gasto, e aquele vinil era a minha trilha sonora de todas as tardes, e com ele depois na sequencia vieram outros como o “Paranoid”, “Vol 4” e até um duplo o “We sold your soul for Rock ´n´Roll” esse me levaram numa festa e nunca mais soube dele.

# LETRAS

"Black Sabbath"

What is this that stands before me?  
Figure in black which points at me  
Turn around quick, and start to run  
Find out I'm the chosen one

Oh no!

Big black shape with eyes of fire  
Telling people their desire  
Satan's sitting there, he's smiling  
Watches those flames get higher and higher  
Oh no, no, please God help me!

Is it the end, my friend?

Satan's coming 'round the bend  
People running 'cause they're scared  
The people better go and beware!  
No, no, please, no!

"Snowblind"

What you get and what you see  
Things that don't come easily  
Feeling happy in my vein  
I cicles within my brain (cocaine)

Something blowing in my head  
Winter's ice, it soon will spread  
Death would freeze my very soul  
Makes me happy, makes me cold

My eyes are blind but I can see  
The snowflakes glisten on the trees  
The sun no longer sets me free  
I feel there's no place freezing me

Let the winter sun shine on  
Let me feel the frost of dawn  
Fill my dreams with flakes of snow  
Soon I'll feel the chilling glow

Right

Don't you think I know what ...

“Wheels of Confusion”

Long ago I wandered thru my mind  
In the land of fairy tales and stories  
Lost in happiness I knew no fears  
Innocence and love was all I knew  
It was an illusion

Soon the days were passing into years  
Happiness just didn't come so easy  
Life was more than faire tales and daydreams  
It was an illusion

Lost in the wheels of confusion  
Running thru valley of tears  
Eyes full of angry delusion  
Hiding in everyday fears

“ Sweet Leaf ”

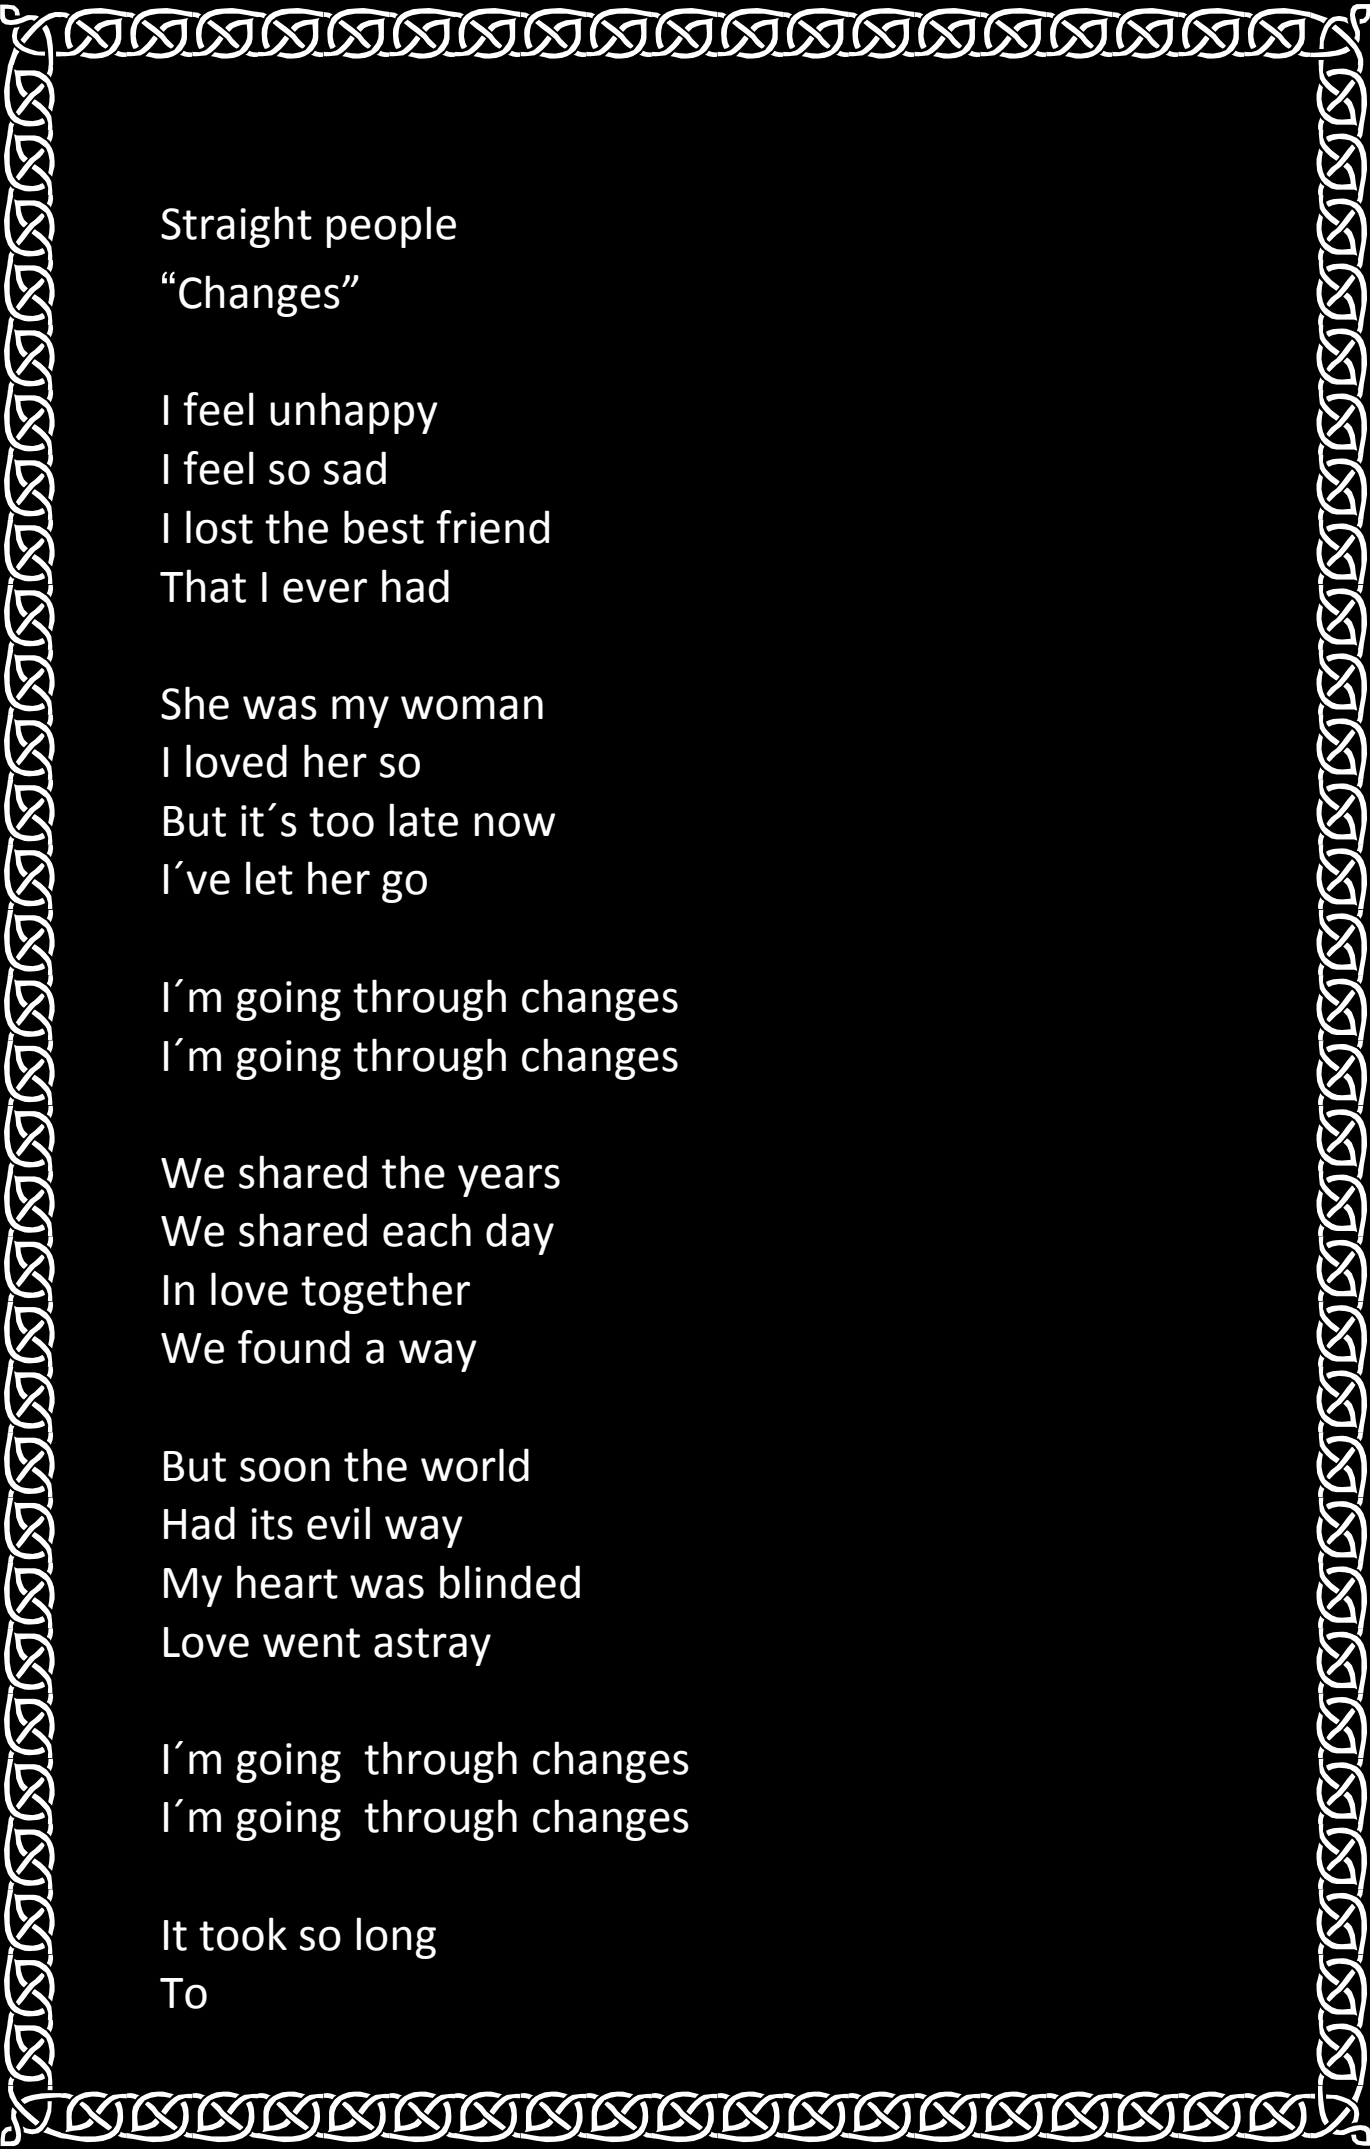

Alright now!

Won't you listen ?

When I first met you, didn't realize  
I can't forget you or your surprise  
You introduced me to my mind  
And left me wanting you and your kind  
Oh, yeah  
I love you  
Oh, you know it

My life was empty, forever on a down  
Until you took me ,showed me around  
My life is free now ,my life is clear  
I love you sweet leaf, though you can't hear  
Oh, yeah baby !

Come on now, try it out !

Straight people  
"Changes"

I feel unhappy  
I feel so sad  
I lost the best friend  
That I ever had

She was my woman  
I loved her so  
But it's too late now  
I've let her go

I'm going through changes  
I'm going through changes

We shared the years  
We shared each day  
In love together  
We found a way

But soon the world  
Had its evil way  
My heart was blinded  
Love went astray

I'm going through changes  
I'm going through changes

It took so long  
To

## "Symptom of the Universe"

Take me through the centuries to supersonic years  
Electrifying enemy is drowning in his tears  
All I have to give you is a love that never dies  
The symptom of the universe is written in your eyes

Mother moon she's calling me back to her silver  
womb  
Father of creation takes me from my stolen tomb  
Seven hundredth unicorn is waiting in the skies  
A symptom of the universe, a love that never dies

Take my hand , my child of love come step inside my  
tears  
Swim the magic ocean I've been crying all these years  
With our love we'll ride away into eternal skies  
A symptom of the universe , a love that
