Falar de uma grande banda como o Bad Company , é uma grande responsa, pois foi amor a primeira ouvida , sim isso mesmo, sabe aquelas coisas que te não te deixam parado nenhum minuto, isso senti com o som do Bad Company, e sair dançando ao som deles , uma melhor do que a outra , uma verdadeira banda de rock com sua estrela dourada sim estou me referindo ao grande vocalista Paul Rodgers, Ex Free um verdadeiro band leader, dentro ou fora da banda ele é a voz principal que carrega toda a energia e astral vamos conferir tudo isso ? Agora coloque o vinyl da banda na vitrola e deixa rolar a todo o volume que é pura curtição (J.N)

Um grande abraço a todos os ouvintes

Numa sexta feira em má companhia

Cursava a Sétima Série do Primeiro Grau, num colégio próximo de casa, e conheceria Jorge um entusiasta por rock como Eu, e trocando algumas informações sobre algumas bandas , me emprestava uma fita-k7 com o som do Bad Company e para a minha surpresa era o primeiro disco da banda e a música “Bad Company” me pegou de jeito que fui procurar outros discos da banda depois mais tarde nos anos oitenta comprava o próprio Lp, e ai não saia mais da vitrola se tornando a trilha sonora das minhas tardes de rock lá em casa, e tudo isso numa sexta feira em má companhia (J.N)

Um disco por engano

Estava na Galeria do Rock , a procura de algo diferente , um som que pudesse curtir na semana sem grilos, e nesse vai e vem, sempre trazia na sacola algum som interessante , mas desta vez o disco veio trocado por engano, havia escolhido um Jeff Beck, e quando cheguei em casa , louco para ouvir um som , o que encontro o “Run With The Pack” do Bad Company, e não hesitei de comprovar o som dos meninos, e curti demais esse play , que acabei ficando com ele , e ouvindo todas as minhas manhãs(J.N)

Uma Antologia por um preço legal

O ano era 2020, e estava na cidade de Suzano, quando encontrei com um velho amigo dos quadrinhos e papo vem papo vai, estava vendendo uma Antologia do Bad Company, pois estava precisando de uma grana, e como tinha recebido aquela semana fiz-lhe uma oferta pois queria muito comprar, e confesso que foi um preço legal bem camarada mesmo ainda hoje guardo-o com muito carinho e cuidado, pois estas oportunidades não acontecem sempre e quando se tem algum dinheiro para investir, até hoje tenho o amigo e a Antologia (J.N)

Bad Company

A company any always on the run
A destiny , oh it's the rising sun
I was born , a shotgun in my hands
Behind the gun
I'll make my final stand , yeah
That's why they call me
Bad company
I can't deny
Bad, bad company
Til they day I die
Until the day I die
Until the day I die
Rebels souls
Deserters we've been called
Chose a gun
And threw away the song
Now these towns
Well they all know our name
The Death Punch sound
Its our claim of fame
And that's why they call me
Bad company
Bad , bad company
Til the day I die
Until the day I die
Until the day I die
Until the day I die
"Eye for an eye"
"Tooth for a tooth"

“Blood for blood”
We’ve all gotta die
We’ve all gotta die
And that’s why they call me
Bad company
I won’t deny
Til the day I die
Bad company
I won’t deny
Bad , bad company
Til the day I die
Bad company
I won’t deny
Bad, bad company
Til the day I die
Until the day I die
Until the day I die
Until the day I die
Until the day I die

Can't Get Enough

Well I take whatever I want
And baby I want you
You gice me something I need
Now tell me I got something for you
Come on come on come on and do it
Come on and do what you do
I can’t get enough of your love
I can’t get enough of your love
We it’s late and I want love
Love that’s gonna break me in two
Don’t hang me up in your doorway
Don’t hang me up like you do

Come on come on come on and do it
Come on and do what you do
I can't get enough of your love
I can't get enough of your love
I can't get enough of your love

Rock Steady

Well When I
Want to rock steady yeah
I know I got to get ready
Close my eyes and I let myself go
Listen to baby let the music flow
Turn on your light
And stay with me awhile
And ease your worried mind
Turn on your light baby
And stay with me awhile
And rock steady yeah
When my love yeah
Gets a little bit too heavy (rock steady)
She's mine and I got to get ready
Close my eyes
And I let myself go (rock steady)
Listen to yeah and let the music flow
Turn on your light
And stay with me awhile
And ease your worried mind
Turn on your light now baby
And stay with me awhile
And rock steady yeah
Turn on your light now baby
And stay with me awhile
And rock steady yeah
Turn on your light
And stay with me awhile

And ease your worried mind
Turn on your light now baby
And stay with me awhile
And rock steady yeah
Turn on your light
And stay with me awhile
And ease your worried mind
Turn on your light now baby
And stay with me awhile
And rock steady yeah

Rock 'n' Roll Fantasy

Here comes the jesters, one, two, three
It's all part of my fantasy
I love the music and I love to see the crowd
Dancin' in the aisles and singin' out loud
Here comes the dancers one by one
Your mama's callin' but you're havin' fun
You find you're dancin' on a number nine cloud
It's all part of my rock 'n' roll fantasy
It's all part of my rock 'n' roll dream
It's all part of my rock 'n' roll fantasy
It's all part of my rock 'n' roll dream
Put up the spotlights one and all
And let the feelin' get down to your soul
The music's so loud you can hear the sound
Reachin' for the sky and chum in up the ground
It's all part of my rock 'n' roll fantasy
It's all part of my rock 'n' roll dream
It's all part of my rock 'n' roll fantasy
It's all part of my rock 'n' roll dream

Ready for Love

Walkin' down this rocky road wonderin' where my life is
leading

Rollin' onto the bitter end

Finding out along the way what it takes to keep
loveliving

You should know how it feels my friend

Ooh

I'm ready for love

Oh baby I'm ready for love

Ready for love

Oh baby I'm ready for love

Now I'm on my feet again

Better things are bound to happen

All my dues surely must be paid

Many miles and many tears

Times were hard but now there changing

You should know that I'm not afraid

We have it , just the way it used to be ?

Wooo whay can't we have it baby

'cause I'm a man, I got my pride.
